## PRESS RELEASE

### Trish Ryan Announced as Customer Service Coordinator

**West Chester, PA, July 19, 2016:** Trish Ryan has joined the Envera office staff as the new Customer Service Coordinator. In this role, Ms. Ryan will be working with the sales team, laboratory staff, and office and production personnel to help facilitate a seamless order process for Envera's clients from order initiation to delivery. Trish holds an Associate's degree from Montgomery County Community College, and has 10 years' experience working in quality assurance, sales, and customer service for an international medical technology company.

"I am excited to join a company that is working in the forefront of providing environmentally friendly solutions for industries that used to rely on less eco-friendly options," said Trish. "I look forward to learning more about this industry and putting my customer service expertise to work for Envera and its clients."

"We are fortunate to have Trish join our Customer Service team," said Mike Matheny, President and founder of Envera. "I'm confident she will be an asset not just to Envera's administrative office, but also to our customers, who will be well-served by her experience and positive personality."

Envera is a bioscience-based company focused on the production of environmentally friendly products. With decades of experience in the isolation, large-scale production, stabilization and product formulation of microorganisms, Envera is a leader in the development and commercialization of microbial and enzyme based products for the consumer, institutional, agricultural, wastewater, and bioremediation markets. Envera's technology platform includes expertise in the areas of bacteriology, mycology, enzymology and chemistry.
